oodmobile Visit Set For Tuesday

Red Cross Bloodmobile ake its third quarterly f the fiscal year to Appo- x on Tuesday, January om noon until 6:00 p.m. ill be set-up at Liberty st Church.

e quota for this fiscal year et at 379 pints of blood e county and we **MUST** t least 95 pints at this in order to meet our there will be no make sits as we have had in ears. If we get more than unit quota for the visit, xtra donations will apply e last visit of the fiscal and that visit will be in Appomattox County has s maintained 100% of the set for the county and rtainly want to keep up ecord.

ladies of the Appomat- ourt House Presbyterian ch will furnish food and rs for the canteen.

e's Market will donate a f King's bread to each donors and Pepsi Cola ng Company will donate a of Pepsi to each donor.

member that 18 year olds ve blood without parent- nsent and are urged to out and help with this t.

t's keep Appomattox y 100%, come out on day and donate a unit of lifesaving blood.

When the Red Cross Bloodmobile makes its quarterly visit to Appomattox Tuesday, January 23rd, these donors will be on hand to donate a unit of their blood. Pictured above are, seated left to right, Betty Rhodenizer, a 6 pint donor; Helen Lewis, a 5 pint donor; and on the back row from left to right, Bob Holt who has donated 7 pints; Dan Harvey, also a 7 pint donor; and Clyde Mayberry who has donated 14 pints.

Pork Producers Will Meet Tuesday

Pork Producers of Appomattox County will meet on Tuesday night, January 23, 1973, at the District Extension Office on Main Street at 7:30 p.m.

The program will be on marketing and grading.

All interested persons are urged to attend this meeting.

3 Post Offices Become Part Of Area Mail Processing

The **PAMPLIN, EVERGREEN** and **RED HOUSE** Post Offices will become part of Area Mail Processing, an innovation of the U. S. Postal Service, on February 12, 1973, it was announced today by Postmaster, J. M. Inge.

"The program is intended to speed the ultimate delivery of the mail and to gain maximum efficiency through centralization of mail processing activities at Farmville, Mr. Inge said.

The Farmville Post Office, Mr. Inge pointed out, is a Sectional Center Facility (SCF) serving 42 associate post offices.

Area Mail Processing is a plan whereby all mail originating at these offices will be consolidated at the SCF for preparation and processing for outgoing dispatch.

The **PAMPLIN, EVERGREEN** and **RED HOUSE** Post Offices will locally postmark all mail regardless of destination, retain mail for local delivery, and dispatch all outgoing mail to Farmville for processing and dispatch to the delivery destination.

It was emphasized by Postmaster Inge that **PAMPLIN, EVERGREEN** and **RED HOUSE** will not lose its postmark.

He urged that when the plan goes into effect, customers should not use the word "city" on mail addressed for local delivery, but spell out the name of the community. Because of the high degree of mechanization in most large post offices Mr. Inge said the use of **ZIP** Code on all mail is extremely important.

Bike-A-Thon Totals $474.25

Initial plans for a possible Oral Cancer Detection Clinic to be held some time in February were discussed at the meeting on Monday night, January 15th, of the Appomattox Chapter of the American Cancer Society.

Area District Representative, Richard Brenner, of Lynchburg described the plans for five oral cancer clinics to be held in the Lynchburg area on Sunday, February 11th, at the conclusion of Dental Health Week. These clinics will be held with the cooperation and support of the Lynchburg Dental Association.

Mr. Brenner explained that many oral cancer cases had been found at similar clinics in the past. Aside from this, the clinic would accomplish two other things. Number one, people of the area would become more aware of oral

Training School At Liberty Baptist Church

Rev. Deryl Holliday, Director of Sunday School and J. Franklin Vaughan, Director of Church Training for the Appomattox Baptist Association have made a joint announcement of a Training School to be held at Liberty Baptist Church on January 25th and 26th from 7:30 p.m. to 9:30 p.m.

All general officers in both Sunday School and Church Training, Teachers, Leaders, Deacons and Church Council members of all the twenty eight churches which make up the Association are urged to attend this Training School.

Seven faculty members from the Department of Training of the Baptist General Board in Richmond have been secured to direct the various groups of the Training School.

IRS Guide On Sale At Post Office

Postmaster H. W. Conner announced Tuesday that the official Internal Revenue Service guide, "Your Federal Income Tax", is on sale again this year at the Appomattox Post Office.

The booklet provides assistance to taxpayers filing separate or joint returns. It contains sample completed forms with entries keyed to appropriate pages and many clear examples of allowable expenses, deductions and contributions.

Postmaster Conner said this year's revised edition, priced at 75¢, is expected to be another "best seller".

Notice To Dog Owners

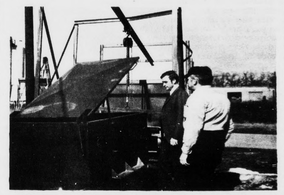
1973 Dog Tags must be purchased no later than January 31, 1973 from the office of the Appomattox County Treasurer.

For your convenience, the Office of the Treasurer, according to Mrs. Ida H. Campbell, will be open from 9:00 a.m. until noon on Saturday, January 20 and on Saturday, January 27.

Certificates of rabies vaccination must be presented with your application for license.

Remember the deadline is January 31, 1973.

Town Manager Assumes Administrative Responsibility For County Landfill Project



Bill Slagle, Town Manager, and Marshall Owen, Tilley Machine & Welding Company of Clarksville, Virginia, look over the four cubic yard container type bin being considered for the disposal of solid waste in Appomattox County. The container is four feet high.

The Board of Supervisors has authorized Slagle to purchase equipment needed for the county landfill project.

This container is set up outside the town office and is available for interested citizens to inspect. You are invited to stop by and look at the container. No purchase has been made at this time.

The Town Council of Appomattox met in regular session on Monday night, January 15, 1973, at 7:30 p.m. in the town office with Mayor Henry Pack presiding over the business session.

All members of council were present.

Council voted to draw up an ordinance to ammend the Town Code to coincide with the State Statute of July 1, 1972, as to laws regarding driving under the influence charges. A copy of this ordinance will be published in the Times-Virginian for two consecutive weeks.

At the Public Hearing called for by the Town Council on January 11, 1973, in order that interested citizens and owners of affected property be allowed to express their views on changes to the Town of Appomattox Zoning, no one opposed the proposed changes.

At the Public Hearing called for by the Appomattox County Planning Commission on the same day for the same reason, there was no opposition regarding the proposed changes in zoning. The Planning Commission recommended that council change the zoning classification on all that property presently zoned Industrial (M-1) along Harrell Street and abuting the Norfolk and Western Railroad on the South and terminated on the boundary of property presently owned by trustees of the "Woodmen of the World" organization be changed to Business. Council accepted the recommendation of the Planning Commission.

Council heard a request from Roger Wills and Ashby Wright to operate an Amusement Center in the old Wilbun Store building on Harrell Street. The center would be youth and family oriented with pool tables, ping pong tables and food vending machines. It is necessary that a Public Hearing be called before permission can be granted and council voted to hold a Public Hearing regarding this matter on Tuesday, January 30, 1973, at 1:00 p.m. in the Appomattox Town Hall.

Bill Slagle, Town Manager, reported to council that he had met with the Board of Supervisors of Appomattox County on Friday, January 12, 1973, and that the board had authorized him to purchase Caterpillar tractor and 100 container type bins to be used for the disposal of solid waste in Appomattox County. The town manager will accept all administrative responsibility on this in turn for the right to use this landfill for the disposal of all solid waste in the Town of Appomattox. The town trucks will continue to operate house-to-house garbage pick-up as they have done in the past years.

It was reported that the Town of Appomattox has now received its second Revenue Sharing check in the amount of $6,758. The total received to date amounts to $13,917. These checks will be received quarterly from now on.

Fred Jones requested that he be served with sewage disposal on Route 1012, down past the Appomattox County Rescue Squad building, for a distance of 700 feet. There would be four to six connections on the Jones' houses with possibly more from other home owners.

Council passed a motion that Mr. Jones be offered water and sewage if he complies with all town specifications.

Supervisors Approve Purchase Of Caterpillar For Landfill

Will Buy 100 Container Bins For Solid Waste

O. W. Martin, Jr., of Stonewall District was chosen to serve for another year as Chairman of the Board, and John C. Cole of Southside District was chosen Vice - Chairman, when the Board of Supervisors of Appomattox County met in regular session on Friday morning, January 12, 1973 in the Clerk's Office.

Warren Taylor, Appomattox County Forester, appeared before the board to ask that they sign a seedling order for 16,000 pines to be planted, possibly before March, on the Poor House Farm over the 20 acre tract that had been burned last fall. The board approved this request.

Upon a reccomendation by Taylor, the board approved the cutting of 12 to 14 acres of pulpwood on the Poor House Farm. The greater part of this timber has been killed or may be killed by bark beetles, however, the pulpwood can be salvaged even though the beetles have killed the trees, according to Taylor. The pulpwood will be cut as soon as possible.

The Rev. Henry Riley and the Rev. James R. Bock, representing the Alcoholic Rehabilitation Center, reported to the board that there is a definite need for the establishing of a center for rehabilitation of alcoholics in our area and that $15,000 is needed to secure personnel and get this project underway. The area included is the counties of Appomattox, Amherst, Bedford, and Campbell and the City of Lynchburg. They are seeking funds from individuals, industries and churches and have applied for Federal Aid. They ask that the Board of Supervisors contribute $750.00 for Appomattox County to be used for this purpose. The board voted to donate the amount of $750.00.

Bill Slagle, Town Manager, appeared before the board to report on landfill cost comparison and operation of solid waste containers, July 1, 1973, is the deadline set for plans to be completed regarding the disposal of solid waste in the county.

The Board of Supervisors authorized Slagle to purchase a Caterpillar 977 tract-type tractor at a cost of $48,000.00 and to purchase 100 container type bins at a cost of $18,000.00 to be used for the disposal of solid waste in Appomattox County.

In other business before the board a representative from the Gladstone Rescue Squad appeared asking for financial support for their squad. The board explained that $300.00 is set up in the budget for Gladstone Rescue Squad and they will receive this amount in February.

Gene Richardson, Sheriff of Appomattox County, reported that uniform traffic arrest forms would no longer be fur-

Bill Woody

FOUR GALLON DONOR

Bill Woody, pictured above, will be donating a unit of his blood at the regular visit of the Red Cross Bloodmobile on Tuesday, January 23, 2973.

This is not by any means a new experience for Bill Woody as he has already donated four gallons of his blood to this worthy project. He personally urges everyone possible to come out on Tuesday and donate a unit of blood, it is urgently needed and is "no trouble" to just roll-up your sleeve and give a pint of the life-saving blood, according to this four gallon donor.

School Board Commends ocational Education Appomattox County

Appomattox County l Board met in regular on Friday afternoon, ary 12, 1973, at 3:00 p.m. School Board Office. All ers were in attendance Dr. A. A. Fratrick, Chair- presiding at the business g.

B. Carter, representing ional Education in Appo- t County Schools, ap- before the board with ssessment report on Vo- al Education the t program and future

keeping with the Stand- of Quality, a program be provided to meet the s of all students in public ls. When a student grad- from high school he must her acceptable for college st be ready to accept a and be qualified for work. the entire 1972 graduat- lass at Appomattox Coun- High School, 50% entered ge or sought additional ng in some field or are ted to have already ed jobs, according to Carter.

In Vocational Education, 10th, 11th and 12th, year students can enroll in one of five areas for Vocational Education. They include Building Trades, Home Economics, Vocational Agriculture, Business Education and DE-ICT.

Job openings in our area are varied thus students who are not college-bound should easily find work after graduation.

The School Board highly

Rabies Clinic

The Appomattox County Health Department announces there will be a dog rabies vaccination clinics held in January on the following dates:

Thurs., Jan. 18, 1973 - 7 - 8:30 p.m. Fire House, Appomattox, Va.

SNOW DATE: Thurs., Jan. 25, 1973 - 7 - 8:30 p.m. - Fire House, Appomattox, Virginia.

The fee for this clinic will be $2.00 per dog.

Safety Patrol Meet At APS

The safety patrol at Appomattox Primary School plays a big role in the function of the school. These fourth year students have shown excellent leadership in the duties they are asked to carry out. The captains for the patrol unit this year are Andrew Fratrick and Steve Poole; Lieutenants are Nugene Harvey and Jayne Doss; Sergeants are William Scott and Ralph Totty.

Guns Stolen From Local Store

A haul of guns valued in excess of $3,000 was taken after a hardware store was burglarized early Sunday.

Appomattox County Deputy Sheriff C. A. Reynolds said the Poe Hardware Company on Church Street was entered by prying open a side door sometime between the hours of 2:00 a.m. and 3:30 a.m. on Sunday.

Reynolds said the burglars took 19 pistols, 22 rifles and shotguns, plus about 30 boxes of ammunition for pistols and rifles, 12 watches and an undetermined number of pocketknives.

Schools In County Will Close Friday, January 26th

All Appomattox County Public Schools will close on Friday, January 26, 1973 for an evaluation day.

According to the school calendar, January 25 and 26 had been set up as evaluation days, but the School Board voted to use January 25th as a teaching day to make up for one of the two days schools had to be closed due to snow conditions.

J. L. HEDRICK

Heads March Of Dimes Campaign

Lt. J. L. Hedrick (ret) has been named to head the Appomattox County National Foundation - March of Dimes Campaign and will be serving as Campaign Chairman for the second year, according to an announcement by H. W. Conner, County March of Dimes Chairman.

No goal is set for the county but funds are urgently needed to support the work of the Foundation with research seeking causes and cures for birth defects that strike more than 250,000 American babies each year. Your donations help by supporting a national network of March of Dimes medical service programs throughout the United States; by supporting prenatal care programs that encourage each mother-to-be to protect her own health and that of her child; and by supporting prevention programs against Rh blood disease, German measles, and other causes of birth defects.

Lt. Hedrick will be working closely with Miss Beverly Lou Davidson and the other members of the Junior Woman's Club, as they plan their annual "Mother's March" for Sunday, January 28, 1973.
